Our theme for 2024 is *Cherry Blossoms embracing the beauty that Spring brings*. It is also symbolic of rebirth and renewal as our 40th Anniversary Celebration will be the biggest festival in our history.

FESTIVAL *HIGHLIGHTS

Established in 1984 the Arizona Matsuri Festival has always partnered with the City of Phoenix and opens with the Mayor's Address.

Over 100,000 festival participants join us every year to enjoy Educational Exhibits, food, music, Martial Arts and entertainment. There is shopping and crafts, dancing and a beer and sake garden. It truly is fun for the whole family!

The world famous Shan the Candy Man can be seen every year. He is one of the only masters of *Amezaiku* or Japanese candy sculpture in the world.

As 2024 is our **40th Anniversary Celebration**, we plan to add even more vendors, food, and entertainment to the Festival. It will be an event to remember, and your support will leave a lasting memory on our attendees too!

SPONSOR CASE STUDY

One of the crowd favorites of Arizona Matsuri is the Beer Garden. We attribute this success to the amazing partnership we have had with Asahi brand since 2010. At first, the beer garden was small, but we have built a great experience and reputation and it has grown into one of the best attended features of the Festival. It attracts returning and new participants each year. Asahi has appreciated the growth in the local market thanks to the brand exposure at AZM. In fact, our partnership has been so strong that in 2023 we were happy to be one of the first public reveals of the new Asahi logo. Today Asahi has become a major sponsor of our festival and we will be honoring Asahi at our celebration for their dedicated support.

Kanpai! (Japanese equivalent to toasting "Cheers!")
