

THE 39th ANNUAL ARIZONA MATSURI 2023

Saturday & Sunday, February 25-26, 2023
Steele Indian School Park 300 E Indian School Rd., Phoenix, AZ

Dear Educator,

Re: **Arizona Matsuri Haiku Poetry Contest Notice**

The city of Phoenix will be holding the 39th annual ARIZONA MATSURI, a Festival of Japan, on February 25-26, 2023, at Steele Indian School Park in Phoenix, Arizona. At this Festival we are holding our 9th annual HAIKU EXPO, and inviting students across Arizona to participate by writing their own Arizona-inspired Haiku and submitting to the Haiku Poetry Expo. At last year's festival, we had many submissions from across Arizona and the winning entries are published in a free ebook featured on our website (www.azmatsuri.org).

Haiku builds on the resurgence of poetry and it encourages youth to learn about a very simple yet beautiful way of expressing images of nature. Haiku use simple concrete images of things we can see, smell, taste, touch or feel. The best Haiku poems reveal the essence of a thing so clearly that the reader can experience the momentary scene or insight that inspired the author.

On behalf of the Arizona Matsuri, we invite your participation in Haiku Expo 2023. Teacher packets include **Lesson Plans, Reference Guide, Terms and Conditions** and **Submission Guidelines** available from the Arizona Matsuri website. Entries may be submitted online with a limit of three entries per person.

howling monsoon winds
dust devil coming my way
western dreamy draw

this is a haiku
you could write a better one
go ahead and try
